RE: Colony Oil Shale Project, Permit M-1980-047, Incomplete Application for Transfer of Mineral Permit and Succession of Operators, Revision SO-01

Dear Mr. Bowers:

On July 7, 2021 the Division of Reclamation, Mining and Safety received the Application Form for Transfer of Mineral Permit and Succession of Operators from Exxon Mobile Corporation to Caerus Cross Timbers LLC, for the Colony Oil Shale Project, Permit M-1980-047. The following items are incomplete for the application to be processed:

Application Form

1. Dewey Chalos is not in our system as an authorized agent or the permittee contact. Please update the contact in ePermitting System.

Legal Right of Enter

2. No Legal Right to Enter was provided

Structure Agreement

3. No structure Agreement(s) were provided

Financial Warranty

4. On the Financial Warranty form pages 1 and 2 the Permittee name is listed as "Caerus Piceance LLC" while the rest of the application is "Caerus Cross Timbers LLC". Please re-submit pages 1 and 2 of the form with the name corrected to match the rest of the application.

Please return the required documentation to the Division **before September 17, 2021**. All completed permit documents are required to be submitted for consideration of your Request for Transfer of Mineral Permit and Succession of Operators Application. An incomplete application may be denied after the 60 day submittal request, if requested documents or information are not received. In the event of any delay in your submittal or if you have any questions, please contact the Division.

Sincerely,
