**DIVISION OF RECLAMATION  
MINING AND SAFETY**

Dear Mr. West,

This letter documents my concurrence with the Reclamation Cost Estimate performed during the Division's technical Adequacy Review of the Miller Midwest Notice of Intent to Conduct Prospecting Operations on National Forest System lands within Mineral County.

I have reviewed the calculations and concur with the estimate of \$6,073.0 to reclaim all affected lands.

Please note that Patrick Moran does not work for the Rio Grande National Forest anymore and I will be your point of contact for this project. If you have any questions or need additional documentation, please contact me at 719.850.2356 or [martha.williamson@usda.gov](mailto:martha.williamson@usda.gov).

Sincerely,

MARTHA A. WILLIAMSON  
District Ranger
