***RE: Mineral Joe Claims, M-1977-284, Incomplete Application for Transfer of Mineral Permit and Succession of Operators, Revision (SO-02), Application Denied***

Mr. Bleak:

On December 2, 2020 the Division of Reclamation, Mining and Safety (Division) notified you that your application for Transfer of Mineral Permit and Succession of Operators (SO-02) was incomplete. To date, the Division has not received your *Source of Legal Right to Enter* for the Mineral Joe permit. On June 19, 2021 Highbury requested to extend the deadline to complete the SO-02 application to July 19, 2021. As of the date of this letter, the Division has not received your *Source of Legal Right to Enter*. Therefore the Division has denied the SO-02 application.

Highbury may submit a new SO application for Division review once Highbury has all the necessary documents in order.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dustin Czapla'.
