Re: Lyster Pit, Acreage Reduction Approval, Permit No. M-2008-009, Revision No. AR-2

Dear Mr. Burkey:

On July 28, 2021, the Colorado Division of Reclamation, Mining and Safety approved your request for release of a portion of the permit area from further reclamation responsibility.

The permit area was reduced to 22.9 acres, through the release of 37.1 acres in this permit action. Because the permit is not totally released, you are still liable for filing annual reports and fees.

If you have any questions, please contact me.

Sincerely,

Clayton C. Wein
Environmental Protection Specialist
