RE: Red Canyon Quarry - File No. M-1985-043,
Technical Revision Application (TR-5)

Dear Mr. Courtney:

On July 22, 2021, the Division of Reclamation, Mining and Safety received your Technical Revision application for the Red Canyon Quarry 112c Construction Materials Reclamation Permit, located in Fremont County. All comment and review periods began on July 22, 2021, and a decision date has been set for August 23, 2021.

We are reviewing your application for impacts to the financial warranty.

If you have any questions, please contact me by telephone at 303-328-5229, or by email at tim.cazier@state.co.us.

Sincerely,

Timothy A. Cazier, P.E.
Environmental Protection Specialist
