DESCRIPTION OF COMMENT OR OBJECTION

(Please be as specific as possible)

Comment/Objection Narrative *

I live outside of Idaho Springs and travel frequently on I -70. I heard about the proposed quarry near the Central City exit and I- 70. There is already another quarry near Floyd Hill, owned by Frei Bros. and the traffic, dust and congestion from that has become worse over the years as the Quarry seems to be larger than it used to be. Highway 6, Clear Creek Canyon is often heavy with truck traffic. Those of us who live on the I-70 corridor in Clear Creek County have been severely impacted by the construction there and the process of adding a third lane in both directions. We deal with heavy traffic and back ups frequently because of that. We do not need one more industry here on I -70, creating heavy truck traffic and dust.

I hope you will find another location for this proposed Quarry. Our wildlife and scenic beauty in the area will be impacted and the quality of life of those who live in Clear Creek County. Please do not allow that Quarry to be located there! Thank you!
