Re: E 8th Street Operation, Permit M2000-082, Financial Warranty Reduction Approval, Revision SR02

Mr. Miller:

On June 3, 2021 the Division of Reclamation, Mining and Safety approved your request for a Financial Warranty Reduction to \$61,870. This is a reduction of \$208,130. This decision reduces the amount of the financial warranty, and does not approve any release of reclamation responsibility for the tasks associated with this request. It is our hope that you and G.U.R.A. will continue in a cooperative effort to move the site toward a timely and successful final reclamation and permit release.

Please provide a rider to the current Financial Warranty, or submit a new Financial Warranty reflecting this reduction. If you wish to submit a different type of Financial Warranty, please contact our office for the applicable form.

If you have any questions, please contact me.

Sincerely,

Eric C. Scott
Environmental Protection Specialist
