RE: State Pit; DRMS File No. M-1990-112; Weed Control Complaint

Dear Wendi Kern,

The State Pit (M1990-112) has a current Weed Management Plan that was part of Technical Revision 2 and was approved in November 2018. In response to the complaint about weeds at the State Pit the operator has conducted mowing and other approved weed management strategies per their approved plan.

Please find attached to this letter photographic documentation of current conditions at the site.
