Corrective Action Due Date Extension Approval**

Dear Dr. Bellantoni,

On August 5, 2021 the Division received via email a request to extend the due date for the corrective action related to updating and clarifying the mine plan. The emailed request proposed a due date of September 30, 2021 to allow for time to submit an amendment application instead of the requested technical Revision. The Division hereby approves your request for an extension to September 30, 2021.

If you have any questions, please contact me at (303) 328-5229.

Sincerely,

Timothy A. Cazier, P.E.
