RE: Revenue Mine, Permit No. M-2012-032, Technical Revision (TR-15), Day Tank Request

Dear Mr. Briggs:

On August 6, 2021 the Division of Reclamation, Mining, and Safety (Division) received your request to use the constructed Day Tanks in the mill facility to receive diluted reagents for use in commissioning testing of the mill equipment. This notice is to inform you that your request has been **approved**. You may begin importing reagents, in the amount and manner specified in the request for use in testing operations. Please note that all conditions of TR-15 remain in effect unless approved by the Division in writing.

If you require additional information, or have questions or concerns, please feel free to contact me. Lucas West at the Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, CO 80203. Direct contact can be made by phone at 303-866-3567 Ext 8187 or via email at lucas.west@state.co.us.

Sincerely,

Lucas West
