**Re Rifle Gravel Pit #1, File No. M-2021-052**  
**Receipt of 112c Construction Materials Reclamation Permit Application Package**

Dear Roberts:

On August 6, 2021, the Division of Reclamation, Mining and Safety received your 112c Construction Materials Reclamation Permit Application package for the Rifle Gravel Pit #1, File No. M-2021-052. Preliminary review of the information received determined that the following additional information must be received before the Division can consider your application as being submitted and technical review can begin.

A Hard Rock 112 application form was submitted. The project described is 112c Construction Material operation. Submit the correct application form.

Division has received a \$2156 application fee (Hard Rock 112). A 112c Construction Materials application fee is \$2696. Submit the deficient amount of \$540.

Provide updated proof of notice for the Board of County Commissioners and Conservation District (Exhibit Q) and County Clerk (Exhibit R). Applicant need not notice municipalities.

**Your application will not be considered submitted until all the information listed above is received and found sufficient to begin our review.**

You have sixty (60) days from the above date to submit all necessary documents that the Office needs for an application to be considered filed. If, at the end of the sixty day period, the application has not been determined to be filed with the Office, the Office may deny the application and terminate the application file.

This letter shall not be construed to mean that there are no other technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.

If you have any questions, please contact me by telephone at 303-866-3567 x 8183, or by email at Amy.yeldell@state.co.us.

Sincerely,
