Good Morning Everyone,

We are looking to schedule the next blast for Red Canyon to be on August 16, 2021. Shot #15 will be at the North end of Bench 3. It is a floor correction shot. We are looking to put it off between the permit hours of 8 am and 3 pm with an estimated time of blast at 12 pm pending weather and or mechanical issues. Mr. Bishop, I will contact you approximately one hour before the blast so you can prepare. If anyone should have any questions feel free to contact me.
