

Janice Evans
Permit # M-2020-032
12-August-2021

Tract 4 Grading Project
2021 Annual Report

Notes:

9. Mining started this year along the west side, approximately 3.5 acres was stripped for use as an overburden stockpile area. (brown).

19. The bond is only 1 year old and when approved in August 2020 was found to be adequate to complete reclamation.

22. Please refer to the 2021 Annual Report Map for location of the areas of disturbance in the mine.
