To: Jeffrey Thompson - DNR <jeffreyc.thompson@state.co.us>

Hey Jeff,

We have received a permit revision application for the above referenced mine site. I would like to request an AVS check. I request the review be completed and any issues identified provided to me by Tuesday August 31, 2021. Attached is the currently approved section 2.03 of the permit and the proposed revised pages for this section submitted with PR5.

Thank you,

Jared
