| Direction | SE            | SE            |

**Applicator:**

Grant\_Mader

**Comments:**

Clipped and sprayed thistle mostly on the perimeter of the gravel pit. This area was pretty free of weeds. Be sure to focus on perimeter when spraying this area next time.

| Chemical                | Ounces/Acre | Ounces Added to Tank |
|-------------------------|-------------|----------------------|
| OPENSIGHT EPA-62719-597 | 3.3         |                      |
