Re: Riverbend Operation, Permit No. M-2000-016, Technical Revision Approval, Revision No. TR-04

Mrs. Mikulas:

On August 31, 2021, the Division of Reclamation, Mining and Safety (Division/DRMS) approved the Technical Revision application submitted to the Division on June 14, 2021, addressing the following:

Technical Revision to allow the Operator to mine within 300 feet of the South Platte River along the northeast section of Phase 1/Cell 1. The Operator will be required to armor the pit side slope in accordance with the Mile High Flood District Figure 2.5.

The mining offset and potential armoring along the northwest portion of Phase 1/Cell 1 will be determined by the Operator at a later date.

The terms of the Technical Revision No. 4 approved by the Division are hereby incorporated into Permit No. M-2000-016. All other conditions and requirements of Permit No. M-2000-016 remain in full force and effect.

If you have any questions, please contact me at peter.hays@state.co.us or (303) 866-3567 Ext. 8124.

Sincerely,

Peter S. Hays
Environmental Protection Specialist
