Hi, Tina

Can you give me a status update on your response to my letter from August 13, 2021? The decision due date for your application is September 8th (next week), and we should discuss if you will need an extension of this date and, if so, for how long.

Thank you,  
Rob

Hi Rob,

I'm sorry for all of the delay's, I am still struggling to keep up. I will try to get this to you this week. Are we okay as long as you have it by the 8th or what day do you have to have it by?

Tina -

It would be better if you can get it to me by Monday AM so I have time to review it before the deadline on Wednesday. If that time frame is not good, let's get an extension. Say for two weeks.

Thanks,  
Rob

Hello, Tina

There is no need for you to do anything else. I will extend the decision due date for this application to September 22, 2021.

Have a good holiday weekend.
