Re: Revenue Mine, Permit No. M-2012-032, Technical Revision Approval and Commitments, Revision No. TR-12

Dear Mr. Briggs:

On September 10, 2021 the Division of Reclamation, Mining and Safety **approved** the Technical Revision application submitted to the Division on March 1, 2021, addressing the following:

GW-4 characterization and well abandonment. .

The terms of the Technical Revision No. 12 approved by the Division are hereby incorporated into Permit No. M-2012-032. All other conditions and requirements of Permit No. M-2012-032 remain in full force and effect. Enclosed is a copy of the drill hole abandonment form to be completed and submitted within 30 days of the completion of the abandonment activity.

Furthermore, OSMI has committed to conducting monthly visual monitoring of the outslope of Pond 3 for leak detection, and submitting the monitoring results with the Quarterly Water Quality Monitoring Report. If you have any questions, please feel free to contact me at the Division's Grand Junction Field Office, by phone at 303-866-3567 Ext. 8187 or by email at lucas.west@state.co.us.

Sincerely,

Lucas J. West
Environmental Protection Specialist
