RE: Lone Tree Pit time extension regarding Technical Revision

Dear Eric,

I am requesting an extension in time to prepare the Technical Revision documents for M-2010-047. This document includes a new reclamation plan & topo. Due to the level of detail I want to include in these plans, I am requesting an extension to September 24th, 2021.

Thank you for the consideration of this extension.

Best Regards,

Derek Daniels, General Manager, C&H Excavation
