Dear Elliott,

Zak Dirt Inc. has received and reviewed the departments second adequacy review for our 111 mining permit known as "Borrow Pit". Zak Dirt its currently working on responses to this review. Zak Dirt Is requesting an extension to the decision date of 30 days. This would effectively move the decision date to **10/14/2021**. As stated in our previous phone conversation it is Zak Dirt's intention to have these items resolved prior to this decision date. Thank you for your time.

Thank You,

Cory Kaufman
Project Engineer
