*RE: J-2 Contracting Co. – DPG Pit – Technical Revision No. 1 Decision Date Extension Request
File No. M-2019-028*

Dear Mr. Hays,

J-2 Contracting Co. requests an extension to the decision date of September 20, 2021 for Technical Revision No. 1 so that the Division can review the Adequacy Review Response we sent out to you on August 24, 2021 for the hydraulic analysis. Per our phone conversation this is the only item remaining for approval as our response dated September 2, 2021 to your Second Adequacy Review Comments dated September 1, 2021 were accepted as per your review of them. We are requesting an extension of 15 days which would place the decision date at October 5, 2021.

J-2 Contracting Co. appreciates your consideration of this decision date extension request.

Please feel free to contact me with any questions or comments.

Sincerely,

J.C. York, P.E.
