**RE: Coyote Ridge – M-2000-052
Temporary Cessation TC-2, Response to Notice of Incompleteness**

Dear Mr. Cazier:

In response to the Notice of Incompleteness received on September 16 for Rocky Mountain Materials and Asphalt, Inc.'s request for a Second 5-year period of Temporary Cessation, we provide the following:

Pursuant to Rule 1.13.4(3)(c), Rocky Mountain Materials commits to resuming mining operations at the Coyote Ridge site by September 26, 2026 or the end of the second 5-year period of Temporary Cessation. Rocky Mountain Materials is actively seeking opportunities to produce material from this location. If that proves to be infeasible, final reclamation will begin.

Please let me know if you have any questions or need any additional information.

Sincerely,

Phillip J. Courtney
Land Manager
