Second Corrective Action Due Date Extension Approval**

Dear Dr. Bellantoni,

On September 30, 2021 the Division received via email a request to extend the due date for the corrective action related to updating and clarifying the mine plan. The emailed request proposed a due date of November 15, 2021 to allow for time to complete the amendment application instead of the requested technical Revision. The Division hereby approves your request for an extension to November 15, 2021.

If you have any questions, please contact me at (303) 328-5229.

Sincerely,

Timothy A. Cazier, P.E.
