Copies of all letters received have been forwarded to the Applicant for their response. The Division is currently reviewing the application for adequacy with respect to the applicable portions of the Colorado Land Reclamation Act for the Extraction of Construction Materials (Act) and the Mineral Rules and Regulation of the Colorado Mined Land Reclamation Board for the Extraction of Construction Materials (Rules), available on our website at <https://drms.colorado.gov/rules-and-regulations>. The decision date for the application is currently scheduled for **November 13, 2021** (after the applicant's 30-day extension request was approved on October 8, 2021).

All permit files, including any correspondence regarding the application, can be viewed through our online imaged document system (Laserfiche) available on our website at <https://dnrweblink.state.co.us/drms/search.aspx?cr=1>. In Laserfiche, type the permit/file number into the "Permit No" field with no spaces or dashes like this "M2021009" and hit Enter or click Search. Tip: after all documents have loaded, you can organize them by date by clicking on the "Doc Date" column header.

If you have any questions, you may contact me by telephone at 303-866-3567, ext. 8129 or by email at amy.eschberger@state.co.us.
