Cory,

Please provide the coordinates to these four corners. These were the four missing out of the seven permit boundary corners on the mine plan map.

Thanks,

Elliott Russell

Elliott,

Please find Zak Dirt's responses to the second adequacy review. There was some items in your review that I believe were addressed in previous items I had provided and outlined them in my response. Let me know what you think. Thank you for your time.

Elliott,

Attached is a chart showing the permit boundaries for our proposed mining permit. Thank you
