**Re: Loveland Ready-Mix Concrete, Inc., Dunn Pit, File No. M-2021-059, Second Incomplete Submittal of 112 Construction Materials Reclamation Permit Application Package**

Mr. Fancher:

On October 14, 2021, the Division of Reclamation, Mining and Safety (Division/DRMS/Office) received the 112 Construction Materials Reclamation Permit Application incompleteness response from Loveland Ready-Mix Concrete, Inc. for the Dunn Pit, File No. M-2021-059. Review of the information received determined the following additional information must be received before the Division can consider the application as being submitted and technical review can begin:

**6.4.4 Exhibit D - Mining Plan**

9. On Page 6, Exhibit D, the Applicant states the entire site consists of approximately 114 acres. The Applicant listed the proposed permitted acreage on the application form as 118 acres. Please explain this discrepancy the revise Exhibit D or the application form accordingly.

The Applicant's response stated, "We have updated the application to reflect the survey-verified 114.25 acres as reported in Exhibits A and D." Please provide a copy of a revised Exhibit D indicating a proposed permit acreage of 114.25 acres.

**6.4.18 Exhibit R - Proof of Filing with County Clerk and Recorder**

13. Please provide an affidavit or receipt indicating the date on which the revised application documents were placed with the Weld County Clerk and Recorder in response to this letter.

The application will not be considered submitted until the information listed above is received and found sufficient to begin our review. A decision date will be established 90 days from the date of receipt of all of the requested information. Additionally, if you have already published notice you will need to republish notice, after the Division considers the application

submitted. This notice must be published once a week for four (4) consecutive weeks, starting within ten (10) days of the date your application is considered submitted. We will notify you when you should initiate republication of your notice. The final date for receiving comments is the twentieth (20<sup>th</sup>) day after the fourth publication or the next regular business day.

You have sixty (60) days from the date of the first incompleteness letter to submit all necessary documents the Office needs for the application to be considered filed. If, at the end of the sixty day period, the application has not been determined to be filed with the Office, the Office shall deny the application and terminate the application file.

**The response due date is November 25, 2021.**

This letter shall not be construed to mean there are no other technical deficiencies in your application. The Division will review your application to determine whether it is adequate to meet the requirements of the Act after submittal of all required items.

Sincerely,

Peter S. Hays  
Environmental Protection Specialist
