Hello Rob,

I have been out of the office for much of the past few weeks and I am needing to request an extension on completing the items on the third adequacy review. If it would be possible to extend to the first week of November I would greatly appreciate it.

Thank you,

Hello, Tina

November 2 is next week, so I thought I would touch base and see if you need another extension on the decision for your application. Please let me know if you are close to a response. If appropriate, please request another extension.

I hope you are well.

Hello Rob,

I am needing to request another extension as we are having an extremely high number of COVID cases in the County departments that I am trying to handle right now.

Thank you,
