Re: Response to Deficiencies#2, MD-02, P-2014-003

Dear Mr. Russell,

Please allow us an additional 60 days to complete our response to the Notice of Deficiencies for the Sierta, LLC Notice of Intent to Conduct Prospecting Operations Modification MD-02 application for the prospecting operation known as Red Cone, File No. P-2014-003. We are requesting the extension because the approved Plan of Operations for the proposed drilling was for the 2021 drilling season and was only good for one year. We will need extra time to receive approval for the 2022 drilling season.

Thank you for your consideration.

Sincerely,
