**Re: Marris Memorials, Permit No. M-1977-168;
Notice of Request for Temporary Cessation TC-01, Initial Period**

Dear Ms. Carter:

This letter is to inform the Bureau of Land Management of a mining operation on land managed by the BLM, of the intent of Operator to put their mining operation into a state of temporary cessation. This letter is sent pursuant to the requirement of Rule 1.13.6 of the Rules and Regulations of the Colorado Mined Land Reclamation Board.

Please be advised that Operator, whose address and telephone number are Colorado Quarries Inc., 270 S 15th St, Cañon City, CO 81212; (719)275-6894, has filed a Notice of Temporary Cessation with the Division of Reclamation, Mining and Safety for the Site mining operation. The mining operation is located at or near Section 3, Township 47N, Range 12E, tenth Principle Meridian, in Fremont County.

The receipt of the Notice of Temporary Cessation will be acknowledged in the monthly activity report attached to the agenda for the December, 2021 meeting of the Mined Land Reclamation Board unless one or more of the following conditions occurs:

1. Reclamation or performance standard issues are indicated in the Notice of Temporary Cessation.
2. Such issues are indicated by a field inspection of the mine site.
3. Such issues are indicated by a review of the mining operation file.
4. Concerns are expressed about the Notice of Temporary Cessation by interested persons.

If one or more of the above conditions occurs, the Division will place the Notice of Temporary Cessation on the agenda for the December 2021 meeting of the Mined Land Reclamation Board. During that meeting, the Board will consider whether or not to accept the Notice.

If you have any questions, please contact me at (303) 328-5229.
