**RE: Cooley Reservoir & Fulton Wildlife Area, Permit No. M-1999-034, Notice of Missing
Landowner, Acreage Reduction Request No. 1 – AR-1**

Dear Mr. Allen:

On October 25, 2021, the Division of Reclamation, Mining and Safety (DRMS/Division) received your Acreage Reduction request to release 27 acres from the Cooley Reservoir & Fulton Wildlife Area, Permit No. M-1999-034. On October 27, 2021 the Division deemed the request complete and notices were sent to various agencies and the landowner listed on the request form. During permit file review it was determined the list of landowners was incomplete. A review of the Adams County Assessor's website it was determined the landowner of the roadway intersecting with Brighton Road is not Albert Frei and Sons but PRK Properties LLC.

Pursuant to Rule 4.17.2, the Division shall immediately provide notice to all owners of record to the affected land. The newly identified landowner will have 15 days from the date on their notice letter to comment on release request.

Please contact Patrick Lennberg (303) 866-3567 ext. 8114 or by email at patrick.lennberg@state.co.us if you have any questions.

Sincerely,
