1313 Sherman St, Rm 215  
Denver, CO 80203

Delivered Via Email

**RE: Delta Paving Gravel Pit, M-1998-105**  
**Response to August 2021 Inspection**

Mr. Zuber:

This letter is in response to the August 17, 2021 dated inspection report for the Delta Paving Gravel Pit. Several of the items are in the process of being addressed by the permittee, but may not be fully addressed until spring 2022. The permittee will follow up with the Division at that time.

## 1. Availability of Records

Kilgore Companies acquired Delta Paving Gravel Pit via a merger with Grand Junction Pipe & Supply Co. Kilgore Companies is registering Grand Junction Pipe & Supply Co. with the Colorado Secretary of State as a DBA.

## 2. Weed Control

Kilgore Companies is working with the landowner to implement weed control on several locations onsite. Herbicide spraying is scheduled over the course of the winter. Follow up weed inspections will be conducted in the spring of 2022 to determine how much additional weed control is needed.

## 3. Signs & Markers

Permit boundary markers are being re-staked for clarity. The permittee is in the process of developing an amendment for this operation that will lead to a new permit/affected area boundary that will be clearer than that in current permit files.

## 4. Revegetation

Seeding of the topsoil stockpiles is scheduled for the fall and winter of 2022. Once seeding is complete, seed tags will be provided to CDRMS.
