RE: Bent Co State Pit, M-2021-005 112c Construction Material Permit Application – Revision 3

Dear Mr. Ebert:

Michael Spady, the adjacent land owner of the proposed Bent Co State Pit, was inadvertently not sent the notice letter originally when notifications were published and sent to the proposed pit land owner. I contacted Mr. Spady to request a letter acknowledging his acceptance of the proposed plan. He had previously been contacted and also agreed to a structure agreement previously. He did not have any additional questions or concerns with the proposed gravel pit. A letter was received from Mr. Spady stating that he is aware of the proposed gravel pit and does not have concerns. His letter is attached.

Let me know if additional updated information will be needed.

Sincerely,

A handwritten signature in blue ink, which appears to read "Calvin Feik", is positioned above a horizontal line.
