Re: Notice of Withdrawal of Possible Violation and Hearing
J & P Trucking Pit #1, M-2011-021

Dear Mr. Chenoweth,

On October 11, 2021, the Colorado Division of Reclamation, Mining and Safety (DRMS or Division) sent you a reason to believe a violation exists and notice of board hearing letter for a possible violation for failure to maintain a financial warranty in good standing for the entire life of a permit. As of the writing of this letter, DRMS has received and accepted the replacement financial warranty and performance warranty for the above referenced site. Therefore, you are now in compliance and the Division has withdrawn the hearing scheduled during the November 17 and 18, 2021 meeting of the Mined Land Reclamation Board. Thank you for your prompt attention to this matter.

If you have any questions please feel free to contact me at Jared.Ebert@state.co.us or at (303) 866-3567 ext. 8120.

Sincerely,

Jared Ebert
Senior Environmental Protection Specialist
