Mr. McClellan:

On November 1, 2021 the Division of Reclamation Mining and Safety (Division) notified you of the Formal Public Hearing to be held December 15-16, 2021 for consideration of a possible violation, civil penalties, cease and desist order and corrective actions for failure to maintain an adequate mine identification sign at the entrance to the site.

Due to the impacts of COVID-19 on availability of State facilities and Division resources, notice is hereby given that the December 15-16, 2021 Mined Land Reclamation Board hearing will be by a virtual Zoom hearing. The Formal Public Hearing will occur beginning at 9:00 a.m. or as soon thereafter as the matter can be considered. You will have the opportunity to be represented and heard.

As soon as possible, please provide your email address to Camille Mojar at camille.mojar@state.co.us so that she can send you the Zoom meeting invite.

If you have any questions about this letter or the hearing, please contact me.
