***RE: Spring Creek Pit, Permit No. M-1994-097, Technical Revision (TR-05), Approval and Financial Warranty Request***

Mr. Burkey:

On November 17, 2021 the Division of Reclamation, Mining and Safety (Division) approved the Technical Revision request (TR-05) submitted on November 3, 2021, addressing the following:

*Revise mining plan to include area to northwest and to mine through to adjacent gravel pit to the east.*

The terms of the TR-05 approved by the Division are hereby incorporated into Permit No. M-1994-097. All other conditions and requirements of the permit remain in full force and effect.

The estimated liability amount of \$307,557.00 exceeds the \$192,460.00 Financial Warranty currently held for this site. If you have not already done so, **please submit additional financial warranty in the amount of \$115,097.00**. The revision will not be final until the financial warranty is approved by the Division.

If you require additional information, or have questions or concerns, please contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Dustin Czaplá', with a long horizontal flourish extending to the right.
