Re: Delta Paving Gravel Pit, Permit M-1998-105, Receipt of Corrective Action Documentation

Dear Mr. Mueller:

The Division received your response to a Compliance Problem cited in the Division's report from the inspection that was conducted on August 17, 2021. The status of the corrective action in regard to the cited problem is as follows:

Compliance Problem, Availability of Records: Company not registered with the Colorado Secretary of State.

This problem is considered to be resolved as a result of a Division search of the Secretary of State website in November 2021, which revealed that "Grand Junction Pipe & Supply Co." is now registered

If you have any questions, please contact me at Rob.Zuber@state.co.us or by calling (720) 601-2276.
