**Re: Tallahassee Project, Notice of Intent to Conduct Prospecting Operations;  
File No. P-2021-019, Notice of Receipt of Application**

Dear Mr. Roberts:

On November 19, 2021 the Division of Reclamation, Mining and (DRMS) received your application for Notice of Intent to Conduct Exploration Operations (NOI) in Fremont County. The DRMS posted the non-confidential Form 2 on the Office website on November 24, 2019 in accordance with the requirements of Rule 5.1.3. Any public comment or request for disclosure of information designated as confidential regarding the NOI must be received by the Office no later than ten (10) working days after the notice was posted on the Office website (i.e., December 10, 2021).

The DRMS will begin its review of the NOI and will contact you within 20 working days of the date we received the application (i.e., December 17, 2021) regarding any deficiencies, or if the review indicates the proposed operations are considered to be mining, rather than prospecting.

If you have any questions, please contact me (303-866-3567 ext. 8169).

Sincerely,

Timothy A. Cazier, P.E.  
Environmental Protection Specialist
