**July, August, September, and October 2021 DMR Submittal Review (CO-0000906)**

Dear Mr. Gray:

The Colorado Division of Reclamation, Mining, and Safety (Division) has reviewed and found the above referenced reports to be in compliance with Rule 4.05.13(2)(a)(ii) and (iii). The Discharge Monitoring Reports (DMRs) for the above CDPS permit was received by the Division on August 29, 2021 (July DMR), September 27, 2021 (August DMR), October 25, 2021 (September DMR), and November 13, 2021 (October DMR). The Division received the DMR forms as copies of the DMR submission to the Colorado Department of Public Health and Environment, Water Quality Control Division.

According to the reports for the monitoring periods, no discharges were reported for outfalls 001, 007, 008, and 010.

If you have any questions feel free to contact me at (303) 866-3567, extension 8120.

Sincerely,

Jared Ebert  
Senior Environmental Protection Specialist
