Road B, C and Mining Area #3 will be removed from Permit

I, Taylor Conway am submitting AM1 for the construction of a new access road. The permit acreage will stay near the maximum size allowed for a 110(1) permit at 4.95 acres, therefore, I'm proposing to release Mining Area #3 from the permit to account for additional acreage. No mining or reclamation activities proposed in M-2018-007 had commenced on Mining Area #3 and therefore the release does not involve any disturbed nor evaluation of reclaimed lands. I'm submitting a formal Acreage Reduction concurrently with this letter. I also am hereby waiving my rights to the timeframe of Rule 4.17.2
