RE: M-2021-046 Dawson Gold Mine
Request to extend Response Date

Dear Mr. Cazier,

Due to the complexity of the application and Zephyr's desire to submit a thorough and appropriate response to the adequacy letter, Zephyr respectfully requests that the decision date of December 13, 2021 be extended to February 28, 2022. This will not only allow time for a quality response from Zephyr but will also provide the Division sufficient opportunity for review.

Thank you in advance.

Respectfully submitted,

Angela M. Bellantoni Ph.D.
