Re: Watkins Mine, Revision Denial, Permit No. M-2019-053, Amendment Denial, Revision No. AM-1

Dear Mr. Kelley:

On December 1, 2021 the Division of Reclamation, Mining and Safety consider your request for the Watkins Mine, addressing the following:

Include original haul road to site into permit boundary.

The Division denied your Amendment request. The reason for denial is outlined below:

Pursuant to C.R.S. 34-32.5-115(4)(a) an incomplete application may be denied. The amendment application cannot be called complete because the applicant cannot not demonstrate legal right of entry to conduct mining and reclamation on the land that comprises the amendment.

If you have any questions, contact me.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
