RE: Von Doose Mine, Permit No. M-2019-031, TR-01, Response to Adequacy Review

Dear Mr. West,

Per your request in the December 6, 2021 Adequacy Review letter, Atlas Mining & Reclamation, LLC (AMR) will conduct ABA and SPLP testing at every 150 feet of advancement or in the event a visually different geologic material is encountered. AMR is currently at 236 feet, and per this commitment, will collect the next sample at approximately 386 feet.

Please let me know if you have any questions and I look forward to your response.

Sincerely,

Eli Doose
