RE: Structure Owner Agreements

Dear Structure Owner/Representative:

Aggregate Industries-WCR plans to amend their Tucson South Mine Permit Number M-2044-044-AM02. The amendment will add a conveyor line extending to the north of the previously approved mine area. The conveyor will run along the west side of Tucson Street, the south side of East 168th Avenue, and the west side of Weld County Road 23.5 as shown on attached map. The previously approved mine plan remains unchanged. Per the Colorado State Division of Reclamation, Mining and Safety (DRMS) Aggregate Industries-WCR is required to issue structure agreements to all structure owners within two-hundred feet of the mine boundary. Please read the information attached and sign and return the agreement using the self-addressed stamped envelope. Should you require an additional stability analysis submitted to the DRMS please contact **Gary Linden at 303 833 1416 x209 or gary@civilresources.com.**

Sincerely,
