**Re: Additional Information Requested, Speer Mining Resource Groundwater Monitoring 2021;
Permit No. M-1983-176**

Dear Mr. Geras:

On December 8, 2021, the Division of Reclamation, Mining and Safety (Division) received your groundwater monitoring data for 2021. Upon review of the submitted materials the Division has questions that require additional clarification.

1. Please provide an explanation for the missing groundwater level data for the months of February, May, September, and October in 2021.
2. Please provide a graph of the groundwater levels for each monitoring well for the period of record contained in monitoring data submittal.

Please respond within 30 days of the date on this letter, January 10, 2022.

If you need additional information or have any questions, please contact me at Division of Reclamation, Mining and Safety, 1313 Sherman Street, Room 215, Denver, CO 80203, by telephone at **303-866-3567 x8114**, or by email at patrick.lennberg@state.co.us.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
