Re: Pueblo West Pit, Permit No. M-1977-573, Financial Warranty Reduction Approval, Revision No. SR-6

Mr Mineo:

On November 10, 2021 the Division of Reclamation, Mining and Safety approved your request for a Financial Warranty Reduction to \$50,000.00. This is a reduction of \$293,323.00. This decision reduces the amount of the financial warranty, and does not approve any release of reclamation responsibility for the tasks associated with this request.

Please provide a rider to the current Financial Warranty, or submit a new Financial Warranty reflecting this reduction. If you wish to submit a different type of Financial Warranty, please contact our office for the applicable form.

If you have any questions, please contact me.

Sincerely,

Patrick Lennberg
Environmental Protection Specialist
