Dear Mr. Czapla,

The BLM-Colorado River Valley Field Office has reviewed your November 19, 2021, letter informing us of Mayne Block and Stone Company's request for a release from further reclamation responsibility for the Dotsero Quarry, DRMS Permit No. M-1987-074. This proposed surety release request would release the remaining reclamation bond amount of \$12,373.51.

The September 24, 2021, BLM inspection determined Mayne Block and Stone Company has performed adequate recontouring and site stabilization within the Dotsero Quarry permit area. The BLM-Colorado River Valley Field Office offers its concurrence on the surety release.

If you have any questions or concerns regarding this matter, please contact Brittany Cocina, Geologist, at (970) 876-9053 or [bcocina@blm.gov](mailto:bcocina@blm.gov).

Sincerely,

Monte Senior  
Assistant Field Manager
