Re: Response to Deficiencies#3, MD-02, P-2014-003

Dear Mr. Russell,

Please allow us an additional 30 days to complete our response to the Notice of Deficiencies for the Sierta, LLC Notice of Intent to Conduct Prospecting Operations Modification MD-02 application for the prospecting operation known as Red Cone, File No. P-2014-003. We are requesting the extension because the Decision Memo for entry and to complete the work on Forest Service property—although completed—cannot be signed until after the new year when the authorized signer returns from vacation. We will need extra time to receive approval for the 2022 drilling season.

Thank you for your consideration.

Sincerely,
