**Re: Waiver and Request for Extension of Decision
Sanders Pit, File No. M-2021-066 (110c Construction Materials Application)**

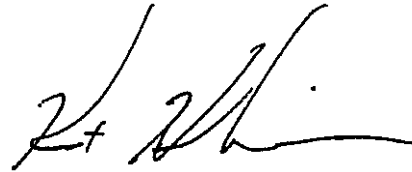

Dear Tabetha:

We are in receipt of your adequacy review letter dated December 20, 2021. On behalf of Tara Sanders, the Applicant, we hereby waive the Applicant's right to a DRMS decision within 30 days (i.e., by December 24, 2021) and request an extension of the deadline for DRMS' decision to and until January 31, 2022, in order to allow the Applicant to respond fully to the adequacy review letter.

Please provide confirmation that the DRMS decision deadline will be extended.

Thank you,
