**Re: Bennett's Gravel Pit Pit, Permit No. M-1979-166;
TR-05 Decision Due Date Extension Approval**

Dear Sirs:

On January 5, 2022 the Division received via email a request from Ben Langenfeld to extend the decision due date for Technical Revision No. 5 (TR-05). The emailed request proposed a due date of February 11, 2022 to allow for additional time to review the extensive revisions to the mining and reclamation plans for the site. The Division hereby approves your request for an extension to February 11, 2022.

If you have any questions, please contact me at (720) 601-2276.

Sincerely,

Robert D. Zuber, P.E.
Environmental Protection Specialist
