Re: Ferris Pit, Permit M-1991-073, Receipt of Corrective Action Documentation

Dear Mr. Spady:

The Division received your response to a Compliance Problem cited in the Division's report from the inspection that was conducted on November 9, 2021. The status of the corrective action in regard to the cited problem is as follows:

Compliance Problem, Signs & Markers: Failure to maintain boundary markers around the affected area. This problem is considered to be resolved as a result of correspondence from Tina Adamson of Kiowa County (email January 13, 2022), which provides photographs of boundary markers.
